

## Governance Policies – Geographic area of administration

---

Within the parameters of its legislative mandate the Trust assists communities that are outside – and west, north and east – of the outer extent of local government in South Australia – excluding the Pitjantjatjara Aboriginal Lands, the Maralinga Tjarutja Aboriginal lands, the Nepabunna Aboriginal Reserve, the Yalata Lands and the local government areas of Coober Pedy and Roxby Downs.

The Trust does not provide assistance within the pockets of out-of-councils lands that lie within the surveyed Hundreds inside the outer line of incorporation.
